Review of Vowel Groups One, Two, Three, Four, Five, and Six in Stories

Real Word Story

Lesson 364

	Words
My **team gave** me **quite** a **shock**. We thought we	10
were **hot**. And then we had to **play** the **best team** in	22
the **state**. **Wow**, that did not **seem like such** a **good**	33
thing. And on **top** of that **our best man** was **hurt**. So	45
we will **play** with those **left**.	**51**
Our coach is a **bit** of a **grouch**. **He screams** all the	63
time. And he thinks that we all are **too slow,** and **we**	75
rest too much, and **we don't run hard**. **Well let him**	86
get out here and do it I want to **say**. But of course, I	100
don't. I didn't **say** I was a **nut**. **He** would **kill me**.	112
No **thanks**. **So** I **just** do the **best** I **can**.	**122**
Well this **big shot team** comes to **play** us. And they	133
are **good**. But we are not so **bad**, and I **think** a **lot**	146
about **luck**. So I **think** if we go **out** and **play hard** and	159
get some **luck** on **our side** maybe we can **win**. That is	171
my **plan**.	**173**
So the **team** comes **out**, and I **look** at them and they	185
scare me. I do not **kid** you. They are **big** and **bad**	197
and **mean** and they **take** no **lip**. But I **shout out** to	209
one of them who **looks like** their **top man**, "You **look**	220
like you are **lost**. Can I **help** you, or maybe I should	232
call your **mom** so she can come **pick** you up and **wipe**	244
your **nose**?" He **got** so **mad**, he could not **make** a	255
shot. He did **miss** this one and then that one. He did	267
look at me, and I **made** a **smirk**. **He** was **mad, mad,**	279
mad. But he couldn't **make** a **shot** the **whole game**,	289
and **we won**! I ran off the **wood** after the **game**; my	301
plan was to **win** not have my head **hit** with a **big fist**.	**314**
