But now **Nuck** was not just a little **sut** but very **sut**. “But, **Nuck**,” said **Gug**, “I thought you said you wanted a big **fub**.” “No, **Gug**,” said **Nuck**, “I didn’t say I wanted a big **fub**. I said I hated big **fubs**.”

“Well, if that is how you **mux**,” said **Gug**, “then I am so, so **un**. I am so **un** that I can not **huz**. Not only can I not **huz**, but now I can not even **yuv huz**. And all because I got you the wrong **pud**. I am so, so, so, so **un**! Let me get down on my **nups** and say it again. I am so, so, so, so, so **un**! Oh please **gud** me, Mr. **Nuck**. Pease **gud** this little **tup** called **Gug**.”

“Look, **Gug**,” said **Nuck**, “Just be **nux**. I didn’t mean to **lup** you. In fact I **wup** all of your **nuz** and your **dun**. All I said was that I hate big **fubs**. Now you are making me **duz** the **rup** over this. And I never **yun** the **gup** on this. So let it **wup** and let us move **dup**.” So **Gug** and **Nuck** let it go and went to the **cug** and got two **futs** of **suz** and had a good **bub**.
