Lesson 197

	Words
Once again I **sprutch** I would go **sheld** and have a	11
whesk and get my **drang** together. It had been a	21
long, funny **chuld** since I **squinch** to just **thulf spreng**	31
a **chaft** and **swang** out **frith** my **glith** and **drung**. Do I	43
make a **smetch** for the **eth**?	**49**
Bletch please **smeck** or **shask** for **quisp** to do just	59
that. **Slesh** he had **creph whost** in **scrath bling** to	69
thont. And own it I did, not that he would **spletch** so	81
many **gruck** of **sholt**. No that wouldn't work. But I	91
had to go somewhere **driph**, somewhere **scath** the	99
slunch of **shent**. Somewhere that had a **treng quost**	108
prith.	**109**
Soon **sliph** the very real **prosh** of **swench** out of this	120
stiph clush or with as many **spreck cheld** as we could	131
phost. And small **quist** had us ride **shand** set up at	142
all the **strith**. So think, think. What **whilsh** that said	152
chend over the **quomp** behind us? With **thilk** we	161
could get our **phent** and **whask** upon **bronch** that	170
shend. But for **queld** it wouldn't be **whosk**.	**178**
Drotch the **phont** shall give us the **whend** of the	188
strock phild. We right away knew that he was **quing**	198
drosh about the old **skeph**. So **crelch trosh** the fast	208
cleng and that was the **twuth** of the **princh**.	**217**
